Hello Doug,

I am a resident of Calle Del Monte in Sonoma. I live on the same block as 12 Calle Del Monte in Boyes Springs. I'm highly concerned with the development proposal as there is not enough parking space available to accommodate this much housing plus commercial space. The roads in my neighborhood are already lined with cars and it is challenging to find parking. This proposed development would increase the problem. I'm against this project and if there anything I can further do to voice my concerns please let me know.

Sincerely

Bonnie
